***Patients with Private Hospital Cover;** The cost of your TVOA (egg collection), JHC admission fee and anaesthetist fee will either be billed directly to your health insurance provider (on a no gap basis) or alternatively, will be billed directly to you by Joondalup Private Hospital and/or the anaesthetists private rooms. In this instance you will be issued a receipt which can be used to claim back your admission and anaesthetist fees from your health insurance provider. The amount which you can claim is dependent on your level of cover and we advise you to confirm this with your private health fund. Eligible patients may also claim their TVOA and anaesthetist fees through Medicare.

***Self-Funded Patients;** Hospital admission fees will be billed directly to you by Joondalup Private Hospital. Anaesthetist fees will be billed directly to you by either Joondalup Private Hospital or the anaesthetists private rooms. TVOA (egg collection) will be billed directly to you by the Dr's private rooms.

**A part of the cost of IVF, ICSI and FET can be claimed to Medicare only if patient is infertile for medical reasons.

Please note that these prices are subject to change at any time, however all fees stated on signed Payment of Procedure forms will be honoured.
